Karliktepe Mah. Adem Yavuz Sk. 26/3 Kartal - Istanbul / Turkey

---

About

I'm UX/UI and Product Designer with 10+ years of experience in digital agencies and corporate companies.

For the last 5 years, I've been working as a remote UX / UI designer for companies around the world.

Such as London (publing.co and Curation Zone) - Tokyo (artefact.co.jp) and Belgium (iconecwave.com).

Experience

Gordion Teknoloji

Turkey • 2016 - UX-UI and Product Designer

I'm working on the B2B and B2C product designs for the tourism industry and making it an international product

Wamo

London • 2020 - UX-UI and Product Designer

wamo is an orchestration platform that joins the dots between payments, banking and commerce solutions in just a few lines of code.

Curation Zone

London • 2018 - 2019   Consultant UX-UI and Product Designer

I've designed UI, UX and Product designs of the Curation Zone application, a startup project. Curation Zone : A brand new way to discover filmmakers; produce, test and distribute the very best videos, using AI
